

Welcome

We encourage you to stay connected with us. Be sure to visit the Bel-Nor website for information on events, news, and other happenings. To stay updated, sign up for the Chimes e-newsletters at the bottom of the Bel-Nor website.

Throughout the year, we organize social events and offer volunteer and committee positions, which are excellent opportunities to meet your neighbors. Activities include gardening the traffic islands, planning social events, and tree-planting initiatives. Each year, every resident will have the chance to receive a free tree for their property or in the sidewalk easement, helping us maintain our beautiful tree-lined streets.

Welcome to our city! -Mayor Anna Vogel

City Facts

- Founded in 1937
- Population: 1,400
- Location: Nestled between Bellerive Golf Course (now UMSL) and Normandie Golf Course, which inspired the name Bel-Nor.

Details

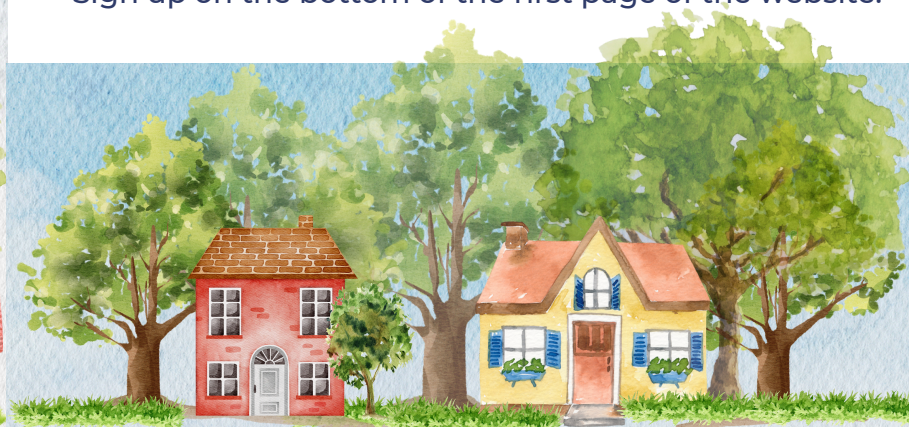

The City of Bel-Nor is classified as a fourth-class city, governed by a Mayor and four board members. It is organized into two wards, with two alderpersons representing each ward. Elected officials serve a term of two years. Ward maps are available on the Bel-Nor website under Government.

City Board meetings take place on the third Monday of every month at 7:30 PM at City Hall. The agenda and meeting minutes are available on the website.

24:1 Community

Bel-Nor is a member of the 24:1 Community, which consists of the 24 (now 22) municipalities that form the Normandy School District Collaborative. Community leaders gather several times each month to drive positive change across the community and pool resources for securing grants, establishing tax bases, and sharing services. We are united by a common vision for neighborly communities, invested families, and thriving businesses.

The 24:1 Community offers numerous opportunities to get involved and lend a helping hand and they welcome your expertise. If you're interested in learning more, please reach out to Beyond Housing.

General Information

Permits

If you are planning to remodel, install roofs, fences, decks, or patios, please complete the necessary permits at City Hall or online through the permit portal. A list of permits, along with their guidelines and requirements, is available on the Bel-Nor website under Forms & Permits.

For any electrical or plumbing work, please note that these permits must be filed with St. Louis County.

Bel-Nor Codes and Ordinances can be found on the Bel-Nor website.

Inclement Weather

A parking ban will be enforced when snowfall of two inches or more is anticipated, or during conditions of freezing rain. It is illegal to park any motor vehicles on the street when inclement weather is predicted. This regulation ensures that snow plows can safely navigate the streets for treatment and plowing.

Please be aware that vehicles left on the street may be subject to ticketing and/or towing at the owner's expense.

Trash, Recycling, Yard Waste

The City has established a contract with Republic Services for the collection of trash, yard waste, and recyclables. It is required for every resident, property owner, lessee, and renter to utilize this service for solid waste disposal. Each individual must set up their service directly through Republic Services and ensure that it remains active at all times.

Trash, recycling, and yard waste is pick-up on Wednesdays. Please place your totes, cans, and bags out after 4 pm on Tuesdays. Check Republic's website for holiday schedules. Additionally, bulk service pick-up is available; further details can be found on their site.

Trash and recycling totes will be delivered to your home once the service is established. Yard waste can be placed in designated trash cans marked for yard waste or in paper yard waste bags. Detailed guidelines for trash, recycling, and yard waste can be found on the Bel-Nor website.

Republic Services: 636-947-5959 or www.RepublicServices.com
